

Elaine Agur

Corporate Secretary

Elaine Agur is the Corporate Secretary and a Board Member of The VanAllen Group. Her career began as a middle school teacher for the Denver Public School system in Denver, CO. Her marriage and subsequent arrival of two sons, plus relocation to Atlanta put her career plans on hold for a few years. When she rejoined the workforce, she began a nine-year career with a commercial airline and held various executive administrative support positions. In 1986 she joined The Coca-Cola Company. At Coke she worked as an Executive Administrative Assistant until her retirement in 2000.

Elaine holds a Bachelor of Science degree with dual majors in Business and Education from Southwest Missouri State University in Springfield, MO. She also participated in several graduate-level courses at the University of Colorado.

The business experience she received during her 30 years of employment is a valuable contribution to VanAllen's Board.
